

Doing Our Part for the Family

Join us as we sustain Immaculate Conception

Extraordinary sacrifice and generosity have allowed us to overcome challenges in light of COVID-19 and invest in our parish family.

In a matter of a few weeks, we mobilized our efforts to overcome technological difficulties, celebrate Mass virtually, console the grief-stricken, provide services to the less fortunate, and find interesting ways to engage on social media.

After much prayer and discernment, we have decided to introduce a parish-wide stewardship program. Through this initiative, we intend to sustain our parish and ensure its continued vibrancy.

You will receive a **mailing at your homes** in the coming weeks. We ask that you consider responding to this call to action:

How can we sustain and support our Family of Immac?

Our parish relies mainly on cash and envelope support. We are extremely grateful for this source of generosity but have witnessed, first-hand, how financially vulnerable our parish was during the COVID shutdown. We need to do a better job of planning for the future.

We also know the exchange of paper and cash is a breeding ground for germs. Help us protect our money counters, parish staff, and fellow parishioners by using this simple, secure, and convenient giving method.
